

WICKED WORLD / Lyrics & Music by Stacy Wilde & David Wilde

It's a wicked world
For every boy and every girl
It's a wicked life got a hold on me
No matter how I try this wicked world won't let me be

It's a wicked game
But I keep on playin'
And I can't quit, this love of mine won't quit me
Now I'm caught in a trap
And there ain't no one that's gonna set me free

Oh, It's a wicked world
Such a wicked world
Yeah, it's a wicked world
Got it's hooks in me
It's a wicked world
Everywhere a wicked world
It's a wicked world
Put a spell on me

It's a wicked world
For every boy and every girl
It's a wicked life we live to get high
And now I'm hooked on the thrill
I don't want no one, don't want nobody to rescue me
Oh baby don't rescue me

Oh, It's a wicked world
Such a wicked world
Yeah, it's a wicked world
Got it's hooks in me
It's a wicked world
Everywhere a wicked world
Yeah, it's a wicked world
Put a spell on me
Oh, honey it's a wicked world
